I support the application by Dunedin Casinos Limited to renew their Casino Venue Licence

The reasons for my support/ opposition/ neutrality to the application are:

The Casino has been part of the community for the past 25 years. During that time it has proven to be an excellent employer providing employment opportunities for over 1500 staff. That in turn has enabled many to learn new skills and enhancing their opportunities to travel overseas with these skills. Through its Charitable Trust it has provided valuable funding to many voluntary organization's throughout the Otago Community when funding for many of these organization's is limited from other sources. It has also been a great financial supporter through sponsorships to various Otago sports teams and charitable organization's. Therefore I fully support the renewal of the casino Licence to enable them to further their support to the wider Otago community.
