I support the application by Dunedin Casinos Limited to renew their Casino Venue Licence

The reasons for my support/ opposition/ neutrality to the application are:

My reason to support the application is because I find the Dunedin Casino to be the best run casino I have been to and I have been to a lot here in NZ and overseas. Their staff are very caring and well mannered, always looking out for their patrons to ensure they have breaks, fluids and have meals.

Also it is a place where a woman can go alone and know that they will be perfectly safe and can enjoy the time there without being hassled by drunks.

They are very good at keeping you informed with what is happening with a monthly newsletter and also an update on your points so you know what you are spending.

I would not like to attend and be heard at the public hearing of the application.

If you would like to attend and be heard at the public hearing, please explain below: · your connection with the Casino; · why you are interested in the application; and · a brief outline of the information you could provide at the hearing to assist the Gambling Commission in making their decision on the application.
