I support the application by Dunedin Casinos Limited to renew their Casino Venue Licence

The reasons for my support/ opposition/ neutrality to the application are:

I submit my support for renewal of the venue licence for Dunedin Casinos Limited. Dunedin Casinos Limited provides premier entertainment in Dunedin 7 days a week. No other venue caters this level of service with restaurant dining, full bar service, live music and entertainment as well as gaming. The entertainment provided is always in a safe and friendly manner with staff checking in with patrons regularly and being available at all times should you have a concern. As a member of the public I support my entertainment budget being spent at Dunedin Casinos due to the safe, friendly, full service entertainment available across the week. In addition to providing a unique service, Dunedin Casinos supports the local community with many various fundraising events and activities. Whilst it is common place for businesses to support sports activities which are my personal favourite, I love how the Dunedin Casino supports the arts community locally, who are often overlooked for sponsorship and support. In relation to safe gaming, I game at class four venues across Dunedin and in my opinion the Casino provides superior safe gaming policies. Staff will check in regularly while gaming and have talks with patrons about gaming where harm may be occurring. This is done in a safe and informative manner. It is my concern that increased gambling in class four venues would lead to greater community harm.
