Please select one of the following statements:

I support the application by Dunedin Casinos Limited to renew their Casino Venue Licence

The reasons for my support/ opposition/ neutrality to the application are:

The Grand Casino is highly valued within the Otago community and wider regions. Their ongoing support for local charities and support of local sports has been immense over the years. There is a lot of pressure within the casino's highly regulated environment, which I think the casino has stood out in with their work in regards to AML, compliance, and host responsibility.

With this in mind, I would not hesitate to endorse the renewal of their casino license.

I would not like to attend and be heard at the public hearing of the application.

If you would like to attend and be heard at the public hearing, please explain below: · your connection with the Casino; · why you are interested in the application; and · a brief outline of the information you could provide at the hearing to assist the Gambling Commission in making their decision on the application.
