I support the application by Dunedin Casinos Limited to renew their Casino Venue Licence

The reasons for my support/ opposition/ neutrality to the application are:

While I do not wish to appear before the Gambling Commission I do heartily endorse the application being made by the Grand Casino. We have been members of the Casino for approximately ten years living approximately 60km from the venue. When we come to town we often spend some time at the Grand Casino and we have found it to be welcoming, with a friendly staff who are very much interested in us and what we do. We also have found that it is incredibly well run and it to be a very efficient organisation where attention to detail is to the fore.

Being older people one of the main comforts we have is that we feel incredibly safe when we are at the Casino. Sometimes I leave my wife in the Casino while I attend to other business. I know of nowhere else in Dunedin that I would leave my wife and be totally confident of her safety.

The Grand Casino staff are very outgoing and positive to all their clients. To us, it is our club and, as such, we thoroughly enjoy every time we go there.

Without hesitation, we would like to commend the application made by the Grand Casino. It is a venue that the citizens of the lower South Island are incredibly proud of and we trust that its licence is extended.

I would not like to attend and be heard at the public hearing of the application.

If you would like to attend and be heard at the public hearing, please explain below: · your connection with the Casino; · why you are interested in the application; and · a brief outline of the information you could provide at the hearing to assist the Gambling Commission in making their decision on the application.
