I support the application by Dunedin Casinos Limited to renew their Casino Venue Licence

The reasons for my support/ opposition/ neutrality to the application are:

I support this application as I have been a member approximately 21 years. In this time, it has been my choice to go to / attend the Casino. It has also been made very clear to me and other members what the rules are and why staff speak to each of us from time to time re our spending, our length of time at a machine and check our credentials. I am aware of the National guidelines and Policies that Casinos must adhere to. I find going to this Casino a safe option for a woman on her own. I have known many people for this time, and it makes for casual or long-term friendships between the guests. It is a way to relax in a safe and comfortable environment.

I would not like to attend and be heard at the public hearing of the application.

If you would like to attend and be heard at the public hearing, please explain below: · your connection with the Casino; · why you are interested in the application; and · a brief outline of the information you could provide at the hearing to assist the Gambling Commission in making their decision on the application.
