I support the application by Dunedin Casinos Limited to renew their Casino Venue Licence

The reasons for my support/ opposition/ neutrality to the application are:

Dunedin Casinos Limited have been a valuable long standing supporter of our business, and many other local businesses.

We have been providing plumbing services to them for many years, and their business helps us to keep trading, especially in the current economical climate.

We would like to continue to service the casino, and without their licence, I assume they would be forced to close, and not only would our service to them then cease, but many jobs of the staff would be lost.

I would not like to attend and be heard at the public hearing of the application.

If you would like to attend and be heard at the public hearing, please explain below: · your connection with the Casino; · why you are interested in the application; and · a brief outline of the information you could provide at the hearing to assist the Gambling Commission in making their decision on the application.
