I support the application by Dunedin Casinos Limited to renew their Casino Venue Licence

The reasons for my support/ opposition/ neutrality to the application are:

Grand Casino (Dunedin Casino) has been a major contributor to Dunedin business for over 25 years. It plays a key role in employing staff and providing entertainment to Dunedin to local people and tourists, both domestic and international, therefore adding considerable to the city economic impact.

Otago Cricket plays an important partnership role with Grand (Dunedin) Casino. The Grand Casino are an invaluable partner with Otago Cricket. Both organization's have a Charitable Trust with overlapping charitable purpose. Each year we seek to work together to raise awareness of mental health (with this being a key consideration for nonprofessional and professional sports people) each year including raising funds, most recently for I Am Hope.

I am aware that the Grand Casino have made a considerable contribution to its community by investing in other sponsorships within the Arts and Business sector, supporting other charities, and being involved within the city to continue to make it a great place for people to live and visit.

I am well aware that the Casino works hard through its Board and management to be

an effective and caring contributor to Dunedin. They play a responsible role in offering entertainment and hospitality to our city and I support a renewal of the licence.
