Dear Members of the Gambling Commission,

I am writing to express my strong support for the renewal of the operating license for the Grand Casino, located at 118 High Street, Dunedin. As a resident of Dunedin and an employee of the Grand Casino, I have personally witnessed the positive impact this establishment has had on our community over the years.

The Grand Casino has not only provided a world-class entertainment experience but has also significantly contributed to the local economy. It has created numerous jobs, supported local businesses, and contributed to the city's tourism sector. The casino's commitment to responsible gambling and customer protection is evident through its robust Host Responsibility Programme and adherence to the Gambling Act 2003.

Furthermore, the Grand Casino has been a generous contributor to charitable causes, enhancing the well-being of our community members. The economic and charitable benefits outlined in their application are a testament to their dedication to the city of Dunedin.

I believe that the Grand Casino's continued operation is vital for maintaining the vibrancy and economic stability of our city. The renewal of their license for another 15 years will ensure that Dunedin remains a destination of choice for both local and international visitors.

I trust that the Gambling Commission will consider the substantial contributions of the Grand Casino to our community and grant their license renewal application. Thank you for your attention to this matter.
