As a neighbouring business, the Casino fulfils a very important role in the lower Victoria Street area. As a large provider of entertainment and general hospitality facilities plus an employer of several hundred staff the positive effect on my tenants businesses, is massive. They bring people to the area while running their business in the most professional way. Security is significantly enhanced in the lower Victoria Street because of their presence and the superb manner in which they deal with any adverse events.

3. I **would like to attend** and be heard at the public hearing of the application. *(circle one)*

4. If you **would like** to attend and be heard at the public hearing, please explain below:
 - your connection with the Casino;
 - why you are interested in the application; and
 - a brief outline of the information you could provide at the hearing to assist the Gambling Commission in making their decision on the application.

(please use extra pages if necessary)

I have no direct connection with the Casino.

My business is located opposite the casino and I am very hopeful that the Casino will continue to operate for the reasons I stated above. I am also involved in the aviation industry and can offer another perspective on the very important need to provide a first class hospitality venue and Casino for the international visitors to Christchurch.
