2. The reasons for our support to the application are:

We have had a long association with the entity for many years supporting their backend financial ERP system.

The ChCh Casino provides a valuation source of entertainment for both the citizens of Christchurch along with supporting our tourism industry which post-earthquakes has struggled to grow. They are also a strong supporter of the local community with various fundraising initiatives in place.

Our business is aware that like many forms of entertainment that a small minority are affected by addiction but from our understanding Christchurch Casino do provide support in such instances and do not promote problem gambling or drinking as part of their ethos.
