**Subject:** Christchurch Casino renewal support

Dear Sirs,

As the Country Manager & Director of Glory New Zealand, we would like to provide our written support of Christchurch Casino's application to the Gambling Commission to renew their casino venue licence, located at 30-38 Victoria Street, Christchurch for a further 15 years.

We have worked with the Casino as a supplier of equipment and services for over seven years, during which time we have found the Casino to be very well run, ensuring that all our dealings with them followed to strict guidelines as set out by the gaming industry. Glory Operates in the currency processing and counting industry as such we understand the need to have highly trained and qualified staff. Similarly, Christchurch Casino, have a dedicated management team that ensure that both staff and suppliers are trained and, managed and supported whilst on their premises.

The Christchurch Casino, has been over the years a highly respected business and employer, being a pillar of strength to the local community showing sound business leadership and community spirit. Particularly during the Christchurch earthquakes.

We would welcome and questions or requests for further support

Best Regards

Greg Jones
