1. I **support to** the application by Christchurch Casinos Limited to renew their Casino Venue Licence. *(circle one)*

2. The reasons for my **support** to the application are: *(please circle one, and use extra pages if necessary)* The Christchurch Casino is iconic and a great venue to showcase to current and future residents as well as tourists with great examples of good food, service and atmosphere. I am a city centre resident and the Casino has been my neighbour for a number of years. The Casino is a place to go where you are guaranteed good service, professionalism, it's clean, tidy and provides a safe environment. It is a great venue to watch sporting events when you don't have Sky. I have been happy to go their alone for a drink, I don't get bothered and have plenty to keep me occupied with tv screens and gaming machines around. I have been to many events at Sixty six for my work and also for pleasure. There is always parking at low cost and a great place to end a social night out. It would be a great loss to the city if the Casino didn't get it's license renewed as they support a lot charities and don't necessarily advertise it and have lots of winnable competitions. The Casino produce a lot of buzz around Christchurch and it adds some sparkle to the city. Christchurch has such a diverse range of services to its community - what is wrong with this business? Why can't it be part of the mixture of hospitality and entertainment services to the city. I support the renewal of the licence and the keeping of over 600 jobs to local people.
