

**Submission on application by Christchurch Casinos Limited for
Renewal of Casino Venue Licence under section 134 Gambling Act 2003**

To: The Gambling Commission

From: Playtime Promotions

I **support** the application Christchurch Casinos Limited to renew their Casino Venue Licence.

The reasons for my **support** to the application are:

The Christchurch Casino provides much needed employment in the city and especially in the early days' post-quake the Casino looked after the needs of its staff and local musicians by continuing when so many venues were destroyed. They played a large part in keeping the music scene alive (and still do) by giving our local musicians on-going regular work and the opportunity to showcase their talent.

This has provided a much needed entertainment space in the city centre which has been vitally important for the city revitalisation.

As a regular visitor to the Casino, we are always impressed with the level of care and security that the organisation provide to the customers.

If required, we are happy to attend a public hearing of the application.
