nights for sports, community, school and individual groups with one person raising over \$20,000.00 for medical treatment overseas. This does not count all of other fundraising events, community groups and awards events we have hosted.

Our restaurants & bars provide great service & offerings with many regulars who are welcomed & looked after by our staff. A lot of these people visit us on a regular basis as we are a safe welcoming environment.

The Casino is an excellent employer with many staff having worked here for many years. My daughter is also a casual staff member here which provides her with an income while she is studying nursing, this role enables her to have the flexibility to manage work around her study requirements which a lot of businesses cannot provide.

One thing I think should be acknowledged is the excellent policies & procedures we have around host responsibility, to assist to ensure the effects of problem gaming are being mitigated.
