Submission on application by Christchurch Casinos Limited for Renewal of Casino Venue Licence under Section 134 Gambling Act 2003

On behalf of SCAPE Board I would like to take this opportunity to confirm our support to the application by Christchurch Casinos Limited to renew their Casino Venue Licence.

The reasons for our support to the application are:

The Casino has supported SCAPE Public Art as an annual season sponsor to help bring temporary public artworks to Christchurch. With their ongoing support SCAPE can continue bringing a new vitality and regeneration to our city following the 2011 earthquakes with its high profile programme of temporary and permanent public artworks.

The city is developing as an international destination for both public and street art and the Christchurch Casino has played a significant part of this. The Christchurch Casino supports many charities which in turn helps our communities' benefit through wellbeing and social interaction.

We encourage the Gambling Commission to renew the Christchurch Casino's application and therefore their involvement within the community and further enhancement of Christchurch. We believe their sponsorship enables our exciting annual public art walkway which promotes an integral opportunity to a wide demographic of Cantabrians that is welcomed by families, national and international touring visitors.

We wish Christchurch Casino well with the renewal of their licence and continued support within our communities.

Kind regards
