Submission on application by Christchurch Casinos Limited for Renewal of Casino Venue License under section 13 Gambling Act 2003.

8th August 2018

To: The Gambling Commission

TL Parker Limited wishes to write in support of the application by Christchurch Casinos Limited for the renewal of its Casino venue License.

Since the opening of Christchurch Casino in 1994, they have been a customer of TL Parker Limited and have grown over the years to become a Key Account to our Radio Telephone business in the Christchurch Region.

With that in mind I would like to offer my full support in the Christchurch Casino to have their licensed renewed for the next 15 years.

During the horrific Christchurch earthquakes the Christchurch Casino remained a functional customer, by still paying accounts on time, while still being able to pay staff while the Central City had come to a standstill.

The Christchurch Casino is an entertainment hub for the City Centre and I believe to make Christchurch great again it's an integral part of the future plans for the City. It offers employment for Christchurch locals and also has heavy involvement in many different community projects/clubs and sporting events within the Canterbury Region.

For any further details please don't hesitate to get in touch with me directly

Kind Regards
