The reasons for my support / opposition / neutrality to the application are:

I am writing in support of the application to renew the casino venue licence for SkyCity Queenstown. As a regular visitor and member of the Queenstown community, I believe SkyCity provides a safe, professional, and well-managed environment for entertainment. The venue contributes positively to local tourism, employment, and hospitality, and plays a role in enhancing the town's reputation as a destination for both New Zealanders and international visitors. In my experience, SkyCity Queenstown operates responsibly and complies with relevant regulations. I support the continuation of its operations under a renewed licence. Thank you for considering my submission.
